

Introductory Slide Deck

Nicholas T. Nelson

Field of Study

- MIS Major
 - To learn how to make influential decisions

Career

- First to learn how to use technology to influence decision-making at a high-level
- Then to prove those concepts by producing results
- Building a corporate conglomeration based on a good team of people and those principles

Why are we here?

- Never heard about the class
- There are the skills I know I'll need in order to fully succeed both in the industry at-large and in my personal goals

One Idea

Truth doesn't matter. Truth only matters to the degree that it is useful.

My most recent book of influence

- “Expanding Love” by the Dalai Lama

Q&A
